

Posting of workers

Published: 11.08.2020.

Information on the posting of workers and the associated issues is published on the website in accordance with the [Directive 2014/67/EU of the European Parliament and of the Council of 15 May 2014 on the enforcement of the Directive 96/71/EC concerning the posting of workers in the framework of the provision of services and amending Regulation \(EU\) No 1024/2012 on administrative cooperation through the Internal Market Information System \("the IMI Regulation"\)](#).

This informative material (electronic brochure) provides information on the posting of workers and the related legal aspects. It provides explanation of the concept "posting of workers", information on the rules to be followed by both foreign and Latvian employers who post workers to carry out works in Latvia or another country, and also includes information on the national administration authorities involved in the implementation, monitoring and control of the process of posting of workers, information for the employees about their rights, as well as information on the administrative liability and administrative penalties. This material contains also other information that might be useful in connection with the posting of employees - case law, publications, explanations, etc.
