COUNCIL AND COMMITTEES

The City Council is the supreme political authority in the municipality of Copenhagen

- 55 members elected for a four year term
- The Lord Mayor – head of the City Council
- The City Council is made up of seven committees which are:

The Finance Committee

The Culture and Leisure Committee

The Children and Youth Committee

The Health and Care Committee

The Social Services Committee

The Technical and Environmental Committee

The Employment and Integration Committee

The Committees take care of the immediate administration of tasks within their field of responsibility. Overall decisions are made by the City Council as a whole.

Each Committee is served by a department.

Mayor – Pia Allerslev
